MAXIMUM FLEXIBILITY

Thank you for buying a Suns Lifestyle Pergola! We hope you will enjoy your terrace coverings much as we do. Because of its smart modular design, the Luxe Pergola is endlessly extendable in length.

THIS IS HOW IT WORKS

The Suns Lifestyle Luxe Pergola is available in several different models with standard sizes. You can extend both to the side and the length of the pergola.

ATTENTION

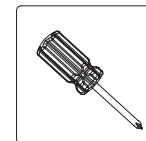

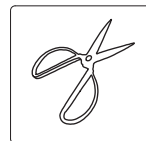

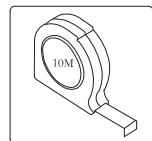

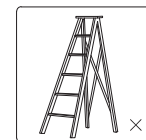

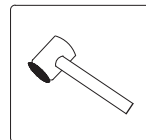

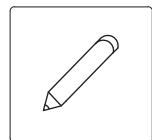

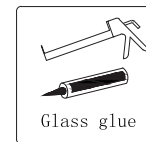

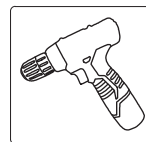

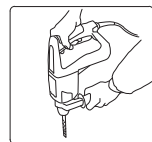

For a first-time-right construction: please read carefully through all the instruction manuals (of the pergola, extension and side extension sets) before assembling your pergola configuration. This will save you hassle and time, and ensure the pergola is installed correctly.
